

## **SOC Breeze Agenda -- August 6, 2018**

### **1. What's happening at the State Level?**

New addition to SOC Infrastructure part of the CMH team: Paul Savery

Behavioral Health Reform

Child Welfare Reform – Family First Prevention Services Act; regionalization

Juvenile Justice Reform

School Mental Health Initiative

DMH – review of Child Services/Service Definitions

Grants: SOC XPI ending; TCM continues – expect new RFA in fall; waiting to hear about Healthy Transitions Grant

State Collaborative: Adding Policy Committee

### **2. Moving Forward in SFY19**

- Community Collaborative Self-Assessment/Discussion of how to measure other aspects of SOC
- Looking to create opportunities that will assist your communities e.g. CCFH project
- Our Themes:
  - Social Determinants of Health – Community Collaboratives as resource development
  - Linking the Community Collaboratives to local decision-makers
  - How can we take advantage of the simultaneous child system reforms to benefit children/youth with Behavioral Health needs
  - Redefining (?) role of SOC Coordinators/Community Collaborative in light of Medicaid Transformation

### **3. Your Help is Needed:**

- Update SOC Coordinator and Community Collaborative listings
- Establish a listing for Community Collaborative Co-Chairs
- Would like to get your input as we redevelop the SOC Coordinator/Community Collaborative roles – may ask for survey; conference calls; would like to reinstitute regional meetings

**Questions/Concerns?**
